August 2015

This community newsletter is sent out monthly on behalf of tawalink.com, Tawa’s community website which has been supported by the Tawa Residents’ Association since 2002.

More regular community updates are available if you join more than 1730 other Tawa residents on neighbourly.co.nz. You can opt for daily updates or weekly updates from that site.

## ‘NEIGHBOURLY’ MEAL ON SUNDAY 23 AUGUST

More than 150 locals got together for a great ‘Neighbourly’ barbecue a few months back. If you’re a member of Neighbourly in Tawa, YOU ARE INVITED to our next get-together, a pot luck meal at the Linden Social Centre on the above date. Doors will open at 5.30pm and we’ll be dining by 6.00pm.

Previous ‘Neighbourly’ get-together

As was the case last time, it’ll be a great opportunity to meet other locals, both “old-timers” and “newbies”. Come along and mix with Tawa people of all ages. There will be activities to ensure everyone feels welcome. Please RSVP under Events on the Neighbourly site.

Here is some of the feedback we received after the first occasion:

*“Thanks to all those who came and mixed and mingled, making it a very enjoyable occasion. A great example of what a neighbourhood BBQ can look and feel like.” – A.D.*

*“Well done for all the organising and planning that went into this event, I’m sure everyone will agree it went without a hitch and was a really enjoyable event. Well done, Tawa people.” – T.C.*

*“A fantastic community event. Thanks to everyone involved.” – M.A.*

## A SUCCESSFUL ROTARY BOOK FAIR

This year’s Tawa Rotary Book Fair was held over the last weekend in June and the first weekend in July, and was very well supported by the community.

The gross figure for both weekends is estimated at \$25,000 compared with around \$20,500 gross last year. Half of the proceeds go to support North Wellington Life Education Trust, the remainder to other (mostly local) charities. Thanks to all who contributed to the success of this annual community event!

## KIDS’ CROSS COUNTRY EVENT COMES TO TAWA

There are races for pre schoolers (Year 0s) through to Year 8s. They’re heaps of fun for the kids, and if you register by this Sunday (9 August) your child will receive a personalised race bib that they get to keep as a memento of their day. Only \$7 per child to enter.

Medals are awarded to those who finish in the top three, and there are certificates for team awards. So get a team of three or four together and you’re in with a chance. If your child loves running, give it a go. For more details or to enter go to [www.athleticshub.co.nz](http://www.athleticshub.co.nz). ## LANDFILL SMELLS

Spicer Landfill's annual Community Liaison Group meeting took place in late June. Most of those present were there to hear what the landfill authorities are doing to alleviate the smells which are particularly prevalent in the northwestern sector of Tawa, just over the hill from the landfill.

Also in attendance at the meeting were a number of "elected representatives" interested in knowing what's being done to rectify this ongoing problem: Hon Peter Dunne (MP for Ohariu), Kris Faafoi (MP for Mana), Porirua-Tawa Regional Councillors Jenny Brash and Barbara Donaldson, Wellington Deputy Mayor Justin Lester, WCC Councillor Malcolm Sparrow and Tawa Community Board member Graeme Hansen.

We have been assured that significant measures are in fact being taken to eradicate or at least minimise unacceptable odours attributable to the landfill. The problem is that those measures do not appear to be as effective as they need to be, and so the smell problem continues.

The next step is a meeting which is currently being organised with the Mayor of Porirua and other PCC officials. Continued pressure will need to be applied until this issue is finally resolved.

And we can play our part as members of the community by continuing to phone the Regional Council on 0800 496 734 every time we notice an unacceptable smell. Tedious though it may be, that's an important factor in ensuring that those responsible for the problem find a solution to it.

## TAWA RESIDENT IN MASTERCHEF

Quoting a posting last week on Neighbourly: “In case you missed it, here’s the link to Sunday’s first episode of the new season NZ Masterchef: [www.tv3.co.nz/Shows/MasterChefNZ.aspx](http://www.tv3.co.nz/Shows/MasterChefNZ.aspx) About 30 minutes into the programme you’ll see Tawa resident Julie Harris!

Congratulations Jules on making the cut to the next round – from the first 50, now down to 24 contestants.”

P.S. Julie didn’t make it to the following round (as at Sunday 2 August). The judges said that the standard of cooking this year is very high. To make the top 24 as Julie did is a remarkable achievement!

## REDEVELOPING TAWA TOWN CENTRE

Officers from Council’s Spatial Planning team ran a meeting at the Tawa Community Centre last week on the issue of the redevelopment of the Tawa Town Centre. Around 20 people took part – representatives from the local business community and the Vibrant Tawa group, as well as two Tawa Community Board members and two Northern Ward councillors.

The main issues arising from the meeting which will need to be further addressed are the empty shops in the central shopping area, traffic along the Main Road there, and how Tawa Plaza might be better developed. The potential for more concentrated housing in central Tawa was also mentioned.

## TAWA EMERGENCY RESPONSE PLANNING

Stakeholders from a number of community groups including Tawa Volunteer Fire Brigade, Tawa Community Patrol, Tawa Medical Centre, plus school and church representatives (and various elected representatives) are currently working with WREMO (Emergency Management) to develop an emergency response plan specific to Tawa.

## CRICKET AWARDS FOR LOCAL GIRLS

This past weekend the NZ Indoor Cricket Provincial Championships were held at the Hutt Indoor Sports Centre. Amelia Kerr (14), at left in photo, playing for the Wellington Women's team and Kate Fenton (13) playing for the Wellington Under-20 team both had remarkable weekends against players considerably older than them.

Amelia who last year was named Most Valuable Player at the Under-20 World Cup had a superb weekend for the Wellington women dominating with bat and ball. The Wellington side lost to Canterbury in the final, 107-108 in a thrilling match. Amelia was awarded the Most Valuable Player of the tournament award.

In the Under 20 girls grade Kate Fenton was named Wellington's Most Valuable Player and narrowly missed the grades overall MVP.

Both players will be heading to the Under-18 Indoor Cricket World Cup in Brisbane in September. The side also includes Tawa College teammates Jess Kerr (captain), Makaylah Mason Jones and Roshani Thurasingham. All five girls are part of the Tawa College Girls first XI cricket side who are the current National Secondary Schools champions.

*On a personal note (Feel free to skip):*

The biggest problem with holidaying in the northern hemisphere at this time of the year is returning to a New Zealand winter. Yes, it's tough for some!

Spending time elsewhere broadens the mind, as they say. That may be the case for a few. For others, we simply enjoy the experience and learn to better appreciate the fact that we have it pretty good on the whole in these far flung islands that make up New Zealand.

I've recently returned from a great three weeks in the USA, always an exciting place to visit. It's a land of contrasts, extremes and complexities. Without going into detail (because that could go on forever), I do think that life in New Zealand really is "simpler" in many respects and somewhat less inequitable than in lots of places.

When it comes to internal travel, the USA is superb with its vast highway system but no fun whatsoever when one has to fly. How easy it is in this country to report for a domestic flight a mere 30-40 minutes before departure time and breeze through security within a matter of minutes (or not at all when flying to smaller centres). Contrast that with needing to be at an American airport two hours or more before departure, and spending 25 to 30 minutes in long lines, removing belts and footwear, etc, then being subject to the once-over in the xray cylinder, all in the name of security. Yes, perhaps there's a need for it, but how much less complicated the process is in little old NZ!

On the other hand, I always find driving in the USA great fun. The freeways are a pleasure to use, enhanced by the chance to cruise at speed limits of 70 to 80 mph (112 to 128 km/h). Ran up a few too many kilometres, I dare to say!

"America the Beautiful" is very accurate with so much scenic beauty encapsulated in numerous national parks, two of which I got to visit. New Zealand is also renowned for its great scenery. The difference is that we're so much more compact. You don't have to travel the same kind of distances to enjoy the scenic highlights!

I very much enjoyed having my daughter Becca (a teacher at Tawa School) spend the first 11 days with me in California, Utah, Wyoming and Idaho. I spent a further nine days mostly in Missouri and Arkansas.

Highlights of three weeks in the USA:

- two days at Disneyland, "The Happiest Place on Earth." Amazing fireworks display (and accompanying music). Photo 1.
- catching up with ex-Tawa friends in Salt Lake City. Great walks and scenery in the nearby mountains.
- Independence Day community breakfast with more than 100 neighbours taking part.
- Grand Teton National Park (another item off the bucket list!) including a scenic raft ride on the Snake River. Photo 2.
- Yellowstone National Park. Wildlife and superb scenery. Photos 3 & 4.
- St Louis, Missouri. A quick visit to the top of the arch, Gateway to the West.
- show-town Branson, Missouri. Silver Dollar City theme park and a couple of shows.
- Little Rock, Arkansas, with a visit to the State Capitol (Photo 6) where they were proud of their "balanced budget", and the Clinton Presidential Library.
- Memphis, Tennessee. Graceland where "Elvis lives!" Big crowds & exorbitant prices but another bucket list tick. Photo 7.
- friendly Americans who are generally very easy to talk to, not that they always understand the NZ accent!
- 32-37 degree temperatures which one could get used to (but thank goodness for hotel pools and air conditioning!).
